

158B Gaudrons Road SAPPHIRE BEACH, NSW 5 3 5

"Simply Breathtaking"

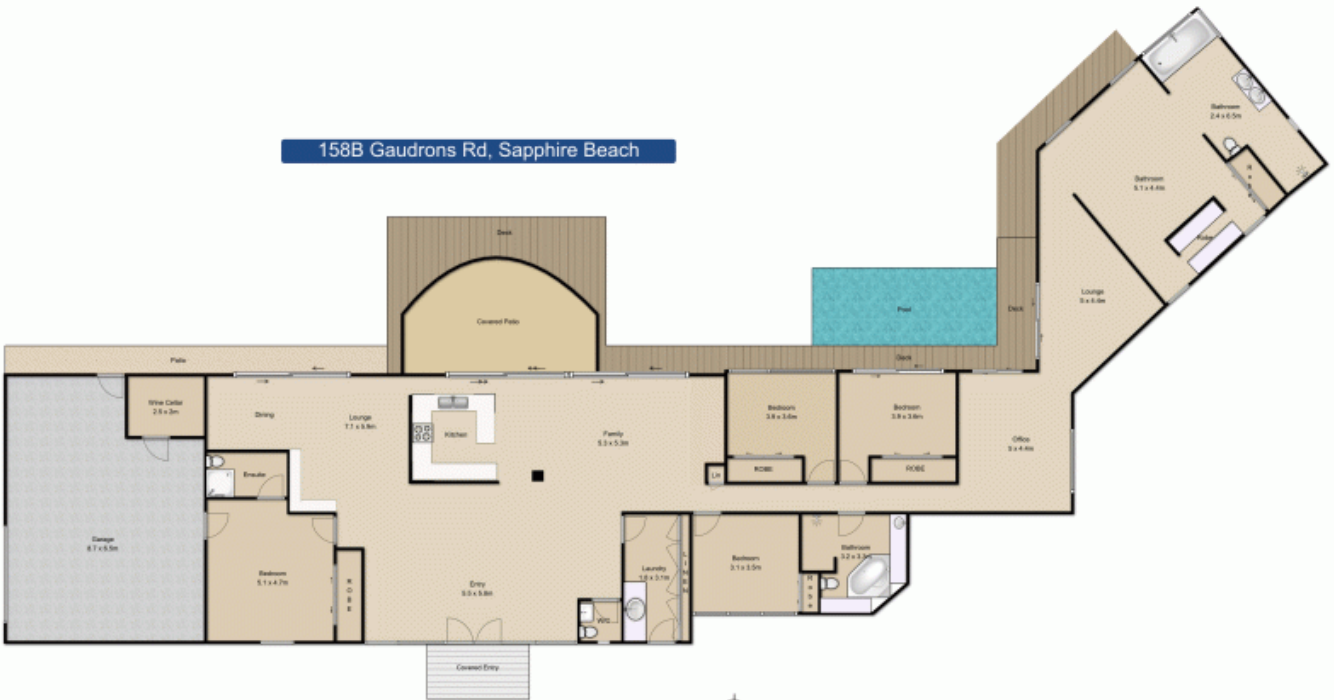

This would have to be one of the most amazing views of the ocean and islands in this entire North Coast area. Uninterrupted ocean views plus privacy and security, this fabulous property located on 10 acres has it all. You will be in awe as you drive through the security gates along the circular driveway to witness this visually stunning and architecturally designed home built from sandstone style split face blocks. The coastline and mountain views truly command your attention and this is a view that can never be obstructed.

Price: \$1,385,000
