

7 Fitzpatrick Street Upper Coomera, QLD

4 2 2

Contemporary Family Home

Meticulously maintained and superb presentation both inside and out defines this stylish single level contemporary family home. Filled with natural light, this awe-inspiring residence creates a totally liveable environment matching today's family lifestyles with loads of space and style to enjoy and entertain in.

Located in the sought after suburb of Upper Coomera only minutes from a selection of well-credentialed private colleges including the Anglican College and the Assisi Catholic College, and with dining, entertainment, shopping and transport to the CBD also within easy reach.

Value packed with other features including dishwasher, separate laundry, family bathroom, bush showerheads, security screens, storage aplenty, ceiling fans throughout and air-conditioned automatic two car lock-up garage....

...

Underpinning its family lifestyle benefits is a wonderful rear yard experience for all the family to enjoy with delightful outdoor entertaining options that envelope timber extended decking sheltered by flyover patio that allows for cooling breezes and natural sunlight....

Price: \$860,000
