INVESTOR SPECIAL

A great opportunity lies within this property for the astute investor. Freshly painted the grand old home is split into two bedroom flats that show a very low vacancy rate. With very little maintenance due to the recent painting you can sit back and watch the money roll in. The further potenetal of the property is that it would take very little for it to be returned to its former glory of a large character filled home. A great location within walking distance to schools, TAFE and West Kempsey CBD.
