

115 North Street KEMPSEY, NSW

BETTER THAN NEW

We've all been to a display home and fallen in love only to discover to build the same home with inclusions will put the property well over the ticketed price and out of our budget. Well here is your saviour, built by Perry Homes as their Kempsey display this home ticks all the boxes. With every quality inclusion available added to this home you really will get the home as it looks in the magazines. You should see this size of the ensuite and study really no expense has been spared for this home. Arrange your inspection today this property has been priced to sell and surely won't last long.

Price: \$290,000
