Start 2018 Right!!

This property is the absolute package, and would be very suitable for our First Home Buyers, those looking for the 'Lifestyle Living' and even our Retiree's, with plenty of space to park the caravan and boat. Shedding is plentiful with 2 bays offering high clearance and an adjoining workshop. There is a chook pen, veggie patch, dog kennel and a cubby house for the kids! The cubby and dog kennel are situated within the fully fenced house yard, for added security and safety....

This immaculate property sits privately & peacefully, amongst a tree studded 10 acres. Imagine yourself here, kicked back with your feet up, relaxing and enjoy these views from the front veranda, but you will need to be quick, properties of this calibre will not last long!...
