Smitten in Smithtown

Elevated living gives optimum space in this well presented cladded and brick base home. Offering 3 carpeted bedrooms, bed 1 & 2 with air conditioning and built in robes. I could see myself relaxing in the beautifully styled 'Art Deco' bathroom, as i'm sure the current vendors have in the past! With a freestanding claw foot bath and gold fixtures & fittings to set the scene. The open plan lounge area with air conditioning and inbuilt slow combustion fire place for all year round comfort. The hub of the home, the stylish kitchen with stainless appliances, plenty of cupboard and bench space, and the added bonus of a breakfast bar....
