Move into the Market

First home buyers, investors & retirees this is a tidy & well maintained home. It would be perfectly suited to any of these mentioned potential purchasers.

Tidy 3-Bedroom 1-bathroom brick & tile home on large block with secure fencing, great for the children or family pet. From the enclosed back deck area, watch over them playing in the well maintained yard with manicured gardens. As mentioned there is an enclosed deck which provides another living area to enjoy all-year-around, great for the summer BBQ or winter morning teas.

The bedrooms are good size, bathroom with bath, shower & separate toilet. The kitchen is basic, but a great size to work with to add your own touches, combined dining & lounge area offers another great space with great functionality.

At a listed price of \$210,000, this great Move into the Market Portfolio Potential or Rest & Retire property will not last long.
