Invest Now!

Investors Investors Investors! Take a look at this! A great investment property has hit the market just in time for the financial year buys. This could be the perfect yield for your portfolio. The market is hot, and we are running low on properties to sell! Current vendor has just spent \$\$ on replacing all windows, helping to secure and make this property attractive to buyers.

Currently rented at \$290.00 per week, this sturdy 3 bedroom 1 bathroom home is a great entry home into the current housing market. Good living space and kitchen with great functionality. Secure back yard and block size of 575m2, offering plenty of space for the kids and pets. Low maintenance gardens and lawns, allowing more time to spend with the family!
