### Views, Views, VIEWS!

The clever design of this pristine home, allows the breeze to flow right through the from the front to the rear. The low maintenance yard a bonus for the busy family, and the 952m2 (Approx.) block has loads to offer! The convenient layout give you side access for the trailer, boat or caravan, plenty of yard for the kids trampoline & swing set, and even room for a pool or shed (STCA). The double remote garages are EXTRA large for all the boys toys and allows ample storage space....

All this within walking distance to the Macleay River, take a stroll to the end of the street and chuck in a line! Close proximity to Greenhill Corner Store, Hospital, Schools and many more conveniences....
