Not for the Faint Hearted!

There is no hiding that this sturdy brick and tile, 3 bedroom, 1 bathroom home, needs some hard work and elbow grease. The LANDLORD has instructed us to sell, and at a reduced price due to the damage to the property.

With the potential to rent the property between \$300 - \$330/w (once repaired), this could be the return on investment you are after for your property portfolio.

Price: \$159,000
