

34 Bunya Pine Circuit WEST KEMPSEY, NSW

SAVING THE BEST FOR LAST

This is your last chance, to snavel a parcel of land in Bunya Pine Court, with the only remaining vacant block, in the street, proudly listed with LJ Hooker Kempsey.

Market has been solid in this area, over the past twelve months, with two vacant blocks sold and currently under construction. This approximate 734 square metre block is the only parcel left.

Located high in West Kempsey, this flat vacant land already has excellent fencing on the side boundaries. When you inspect the property, you must do it in the afternoon. The views of the western mountains and of course incorporating the sunset, generates a spectacular vision. Ideal for your back deck and entertaining area. The view also captures a rural outlook.

Vendor is very motivated to sell, hence the listing price. Dont miss out on your chance to build your dream house, with great views and belong to a strong community street in West Kempsey.
