Space and Serenity

If you've dreamed of living a beautiful, spacious life in the country, embraced in tranquillity and sprawling gardens, this home is for you. Placed in a quiet cul de sac, boasting an acre of land, and backing onto a reserve, it's a beautifully presented residence spanning a generous and flexible floorplan.

- Large windows frame the open plan living area, providing substantial natural light and a pretty garden outlook
- Generously sized family room also enjoys a lovely garden view, and like the living area, provides direct access to the front deck
- Superbly functional kitchen includes a gas cooktop, dishwasher, breakfast bar and water filtration unit
- Three bedrooms and two bathrooms are located on the main level, with a fourth bedroom/study located on the lower level
- Remarkably low maintenance garden is abundant in hardy natives, established trees and park-like lawns
