FIRST TIME ON THE MARKET & PACKED WITH POTENTIAL

It's such a privilege to present this home to the market for the very first time. Built in 1970 by the current owner, this home has been a much loved family home providing security and comfort for three generations. Time seems to have stood still with this brick beauty, offering original features throughout. The home was raised to ensure legal height on the lower level in 1976, allowing complete flexibility for the savvy renovator.
