Solid single storey home thoughtfully renovated.

This elevated solid brick property is a home full of pleasant surprises. The renovated kitchen / dining area has certainly added a level of luxury. A large covered outdoor entertaining area incorporates an enclosed shower and toilet. The sunny private spacious back garden with mature shade trees will be a favourite playground for kids (there's plenty of space to add a pool). We won't be surprised if a family with young children seize the opportunity of settling into this quiet, established Hastings neighbourhood with a respected Public School and a friendly shopping village within walking distance.
