### Elevated property overlooking rolling hills with resort-style pool

Elevated on almost a third-of-an-acre overlooking rolling hills and farmland outfront and boasting a resort-style swimming pool and lush garden at the rear of the property, this home is sure to impress. Inside you'll be met with floating wooden floors, split system heating/cooling and ceiling fans throughout, plus three of the four bedrooms are fitted with built-ins. Entertainers will love both the long central kitchen that connects to multiple living zones and the expansive outdoor patio and alfresco areas that embrace the tranquility of the pool area.
