Single level charmer by the park, near leading schools

An original family classic offered for the first time in its proud 59 year history, this treasured home fulfils every family function with a sense of time-honoured character and gracious dimensions. Traditional high ceilings, broad picture windows, fresh interior paint and resurfaced hardwood floors further its appeal for young families or those stepping into the market, concluded by a whisper-quiet address with Jack Thompson Reserve playgrounds at the end of the cul-de-sac, and an enviable choice of shops, transports and excellent schools within moments. The level rectangular block offers future potential joining other new-builds in the street.
