Chic Beachside Apartment

Discover a modern renovation on this well laid out retro built block positioned right on the beach front. The feel throughout is that of a 'New York' pad by the beach. Situated to face sprawling sunsets from a wide covered entertainer's balcony. Two Juliette style balconies, off the living and bedrooms, boast ocean views. Rich timber floors enhance an open plan living/dining that in turn incorporates a fully integrated kitchen with fabulous marble bench top. There is nothing to do here but move straight in.

Two bedrooms are well sized, have built-ins and are separated by a refurbished bathroom. Wide hallway, feature windows, beautiful lighting and airflow add to the appeal. A lock-up single garage plays host to the laundry with additional storage and loft style shelving. Whether you are looking to downsize, upsize, invest or own that weekend getaway, this chic apartment will not disappoint.
