One Owner home. Loved & looked after

What A cute little home for the first home buyer or person looking to down size. A great location situated behind the local police station at Smithfield. No security problems here! The home is extremely well maintained and presented. Clean, tidy & with a cute low care garden. For the Bird lovers there is a built in Aviary and green house. Glass sliding door off all 3 bedrooms allows the home to breathe. Extra living area enclosed giving the home more space to "Live" The home has the Garage converted to an air-conditioned sound proof music room or theater room if preferred.
