Manoora reminds me of Brisbanes Paddington, Melbournes Williamstown and Sydneys Balmain. All were working areas close to the CBD and infrastructure now you need a million dollars just to start looking in these areas. This particular home sits on a huge 760m2 fully fenced block at the end of a cul-de-sac amongst predominately owner occupiers. Ideal for young buyers starting out or the astute investor seeking solid returns and assured capital growth due to the location.

Neat and tidy three bedroom one bathroom home in a quiet cul de sac. The house is screened and air conditioned to main bedroom and lounge. Vinyl and tiles to the open plan living areas and carpeted in the bedrooms. Built in robes to bedroom one. Separate laundry.
