FRESH AS A DAISY

This spacious 2 bedroom unit has just had a mini makeover and is as fresh as a daisy. Extra high ceilings gives the open plan living a sense of space. Full length glass sliders flow out to the generous balcony where you can hear the ocean and feel the breeze off the Coral Sea. The original kitchen is in excellent condition with ample cupboards and bench space. The bathroom/laundry combo is compact and practical and includes a front loader washing machine and dryer. With new aircon, drapes and timber look floors there isnt really anything else to do but move in.
