DISTINCTIVE, UNIQUE & RARE!

Your Friends will be inspired, your family envious and you? Well it may take a while for the goose pimples that wash over you to subside as the atmosphere is certainly here! As you drive through the meandering rain-forest lined sealed driveway, this stunning home opens up in front of you. The sight of this gorgeous home bathed in sunlight will have you quickening your pace to see what comes next. As you approach the home you quickly realise the size and quality of the home with the height/clearance downstairs well above the industry standard. As you walk under the home the scenery is absolutely stunning with the in-ground resort-style pool and native bushland.
