Location, location - unique cottage!

Have you got the desire to be living in a low maintenance home and still have the option of doing a small amount of gardening?? This cottage style home is tucked away in a quiet cul-de-sac with no rear neighbours except the surrounding mountain range offering space and privacy in a central location! This home is perfect for those wishing to enter the housing market for the first time, savvy investors or those wanting to downsize without resorting to a unit complex!

Property Features:

- Tiled, open plan lounge area with air conditioning and high ceilings
- Functional kitchen with loads of cabinetry
- Main bedroom with patio access, built in robes and air conditioning
- Second bedroom with built in robes and air conditioning
- Main bathroom is huge with shower, toilet and vanity combination
- Internal laundry
- Front porch overlooking the tropical gardens with an outdoor shower
- Single lock up garage with double gates at the rear
