Sold Off Market within 24 hours

Located in one of Cabarita's most sought after streets, this quality family home has been meticulously transformed into something truly special. With design by Sandbox Architects and Interiors by Santamaria Design, the home is a classic of contemporary design and Australian architecture. Premium materials such as black butt flooring, decorative ceilings, bespoke joinery and commercial grade steel doors. Luxurious main bedroom with high end en-suite with heated floors, built-in wardrobes and air conditioning throughout the home. Seamless flow, from living to the spacious decked outdoor area with fireplace make this home the perfect entertainer. Light filled throughout and a chefs premium kitchen with Miele appliances make entertaining and hosting a breeze. This home has to be seen to fully appreciate the detailed design, quality and amazing integration of the original period features and the contemporary modern design.
