Top Floor Living. Leafy Views. Space That Hits Different.

Set high on the top floor, this is one of those apartments that genuinely surprises you the moment you walk in. The entry opens into a huge main living zone, giving you that immediate sense of space, before flowing straight out to the balcony where leafy views stretch across to the Gungahlin district. It's the kind of outlook that changes with the seasons - crisp autumn air, warm tones, and an easy spot to slow down at the end of the day.
