BIG ON BANKSIA!

Price: $490,000

If it's space, features and value for money then this property will definitely be a must to see. The moment you open the front door the spaciousness and open plan living will be surely appreciated. This three bedroom, 2.5 bathroom family home is positioned in a quiet little cul-de-sac on a large block of 860m. Also boasting all the mod-cons like ducted air conditioning, solar power and 9 foot ceilings. There is a massive 4 car garage with plenty of room for all the boys toys or it could make for the ideal 'man-cave'.

The huge master ensuited bedroom is almost big enough to command its own postcode. If cooking is your passion then this kitchen has been cleverly designed and will impress the budding Masterchef with all the modern conveniences and ample storage space!

With the market on the move you will need to get your skates on to secure this property. The only thing that is small here is the price. Organise your inspection now!
