

3 Boronia Crescent YAMBA, NSW

3 1 2

RED HOT OPPORTUNITY!

Investors check this out! The numbers work with solid three bedroom brick and tile properties under $400k becoming increasingly rare to the Yamba market. Here is an offering that you just can't look past. Sure there are a few things that need to be attended to but the current owner has decided to let you add your own finishing touches to this property to make it your very own home. The house has a double garage and plenty of storage throughout, another key feature is the side access to the large backyard. With affordable rental properties becoming scarcer by the day this is surely one that you should add to your portfolio. Organise your inspection now.

Price: $389,500
