Mediterranean-Inspired Single-Level Luxury with Granny Flat & Basement Parking

Making an immediate impression with its striking Mediterranean-inspired facade, defined by graceful arches, sculptural curves and a sophisticated neutral palette, this luxurious single-level residence is a statement of considered design. Sophisticated interiors meet cutting-edge innovation to create a residence of rare distinction, where herringbone flooring, soaring ceilings, bespoke finishes and carefully considered lighting establish an immediate sense of refinement. Ready to welcome its first owners, this exceptional home delivers an uncompromising standard of family living, complemented by a separate two-bedroom granny flat and the rare advantage of secure basement parking.
