

40a Hope Street Seaforth, NSW

Bespoke sophistication with village convenience

Newly completed and beautifully resolved, this bespoke side-by-side Torrens Title home is a celebration of considered design, natural light and quiet luxury. Flowing curved lines, and natural stone and warm timber finishes establish its distinctive architectural character from the outset, creating a design language that continues over two considered and impeccably finished levels. High ceilings, layered and textured premium finishes, architectural lighting and bespoke joinery come together in a calm neutral palette to create a contemporary home that feels both sophisticated and wonderfully liveable. Natural light is integral to the design, drawn deep into the home through soaring arched windows and sculptural curved skylights, with the north/east rear aspect further enhancing its bright and airy feel. Offering the rare appeal of a brand-new home within an established village neighbourhood, it places Seaforth's cafes, shopping and transport within an easy stroll, with harbour and coastal beaches, foreshore walks, bushland and the wider Northern Beaches lifestyle all close at hand.
