An Exceptional Find in a Convenient Cessnock Setting

Set in a quiet and convenient Cessnock location, this beautifully appointed four-bedroom residence delivers generous family living, quality finishes and an impressive 809sqm block. High ceilings and timber flooring create a sense of warmth and space throughout, while the stylish kitchen takes centre stage with waterfall stone benchtops, feature pendant lighting and a substantial walk-in butler's pantry. Two separate living areas provide excellent flexibility, while four generous bedrooms include two with walk-in robes and a master suite with its own ensuite. Outside, a covered entertaining deck overlooks the level backyard, with side access leading to an oversized double garage. Adding further appeal is the Medium Density zoning and potential for a granny flat or future development, subject to council approval.
