Position and potential in fashionable Thirroul village

A sensational project for lovers of vibrant village life, this original 1980s cottage presents a wonderful blank canvas for creative renovation or complete redevelopment (STCA). Set on a 556.4sqm (approx.) parcel of land framed by grassed gardens, this brick home is a great opportunity for first homebuyers, investors or those seeking a coastal retreat to capitalise on a home brimming with potential. There's scope to convert the oversized garage to additional living space, add a second storey or reconfigure to suit your needs (STCA).
