Impressive vehicle accommodation, private yard and convenient location

Offering exceptional off-street parking, extensive undercover space and a beautifully maintained yard, this three-bedroom home is ideal for families, car enthusiasts, tradies or buyers simply wanting more room. Behind an automatic front gate is an impressive four-car tandem carport, double garage and additional side carport. The kitchen opens directly to a covered alfresco area connecting with the extensive concreted carport, creating a huge undercover space perfect for Christmas, entertaining and family gatherings. Inside, the home offers plenty of potential to update, with separate lounge and dining areas, a generous bathroom and split-system air conditioning to the master bedroom. A 5kW solar system and approximately 12-month-old electric hot water system add further appeal.

Outside, established boundary gardens provide excellent privacy, while the secure, level backyard is ideal for children and pets.

All positioned approximately 1km from Cessnock CBD and 1km from the gateway to Pokolbin Wine Country, with Mount View Road and several local schools nearby.
