Architectural family living offering an exceptional outdoor lifestyle

A superb example of architecture enhancing everyday family life, this striking Urban Impact-designed home brings together considered design, generous proportions and an exceptional indoor/outdoor lifestyle in a sought-after locale. Soaring ceilings, oversized picture windows and an abundance of natural light create an inviting sense of space, while the thoughtfully planned layout offers the flexibility and separation that growing families desire. Beyond the interiors, a spectacular backyard by Outdoor Establishments takes family living and entertaining to another level, with an expansive entertaining deck with outdoor kitchen, heated pool, spa, paved terrace with fire pit, level lawn and even a putting green creating a private resort-like sanctuary. Positioned just a short walk from the natural playground of Manly Dam and with easy access to beaches, schools, shops and transport, this outstanding property promises a lifestyle as appealing as the home itself.
