Solid double brick creation of acclaimed Chateau Architects

Occupying a sprawling 1,355sqm parkside parcel, this double brick family residence is an inspired creation of Chateau Architects, combining scale, substance and superior quality in a community-oriented Lindfield cul-de-sac. Lovingly-held and maintained by the one owner for 20 years, it reveals an impressive design offering a vast sequence of living and entertaining zones, tailor-made for large and growing families. Wrapped in expanses of glass framing lush green outlooks and drawing abundant natural light deep within, it features beautifully appointed interiors enhanced by rich timber finishes, newly stained flooring and soaring ceilings that accentuate the sense of space and openness.

A detailed site plan of the residence. The building footprint is a large, irregular white shape labeled "RESIDENCE". To the left of the residence is a rectangular "POOL" with a blue fill. Above the pool is a "SUN DECK". A set of stairs labeled "ENTRANCE DECK" leads from the pool area towards the residence. The entire site is surrounded by landscaping, including numerous trees (represented by green circles with branches) and a winding path. A small parking area is located at the bottom right of the residence. The label "SITE PLAN" is at the bottom right.

Internal area: 362m²
(Incl. Garage)
Entertaining & Verandah area: 53m²
Total area : 415m²

Land Size : 1,355m²

The site plan and floor plan are not to scale; measurements are indicative and in meters. Bushes and trees are placed for illustration purposes. Plans should not be relied on.
