Treasured family home with duplex potential (STCA), prime Eastwood position and elite schools precinct

Offered for the first time in over six decades, this lovingly held family residence presents an increasingly rare chance to secure a significant 638sqm foothold with 17.6m wide frontage in one of Eastwood's most serene cul-de-sac streets and sought-after pockets. The property delivers the immediate comfort of five flexible bedrooms, two bathrooms and a wonderfully scaled yard with northerly rear orientation, furthered by the outstanding potential to renovate or explore redevelopment possibilities for a duplex or grand contemporary dwelling (STCA). Matched by the exceptional location appeal of Eastwood Station, shopping centre and vibrant culinary hub within just 1.5km (approx.), amid Skenes Reserve nature trails at the end of the street and excellent schools within rapid reach, this is a compelling canvas for today's living and tomorrow's ambitions.
