Immaculate as-new family residence showcases modern French provincial style in Cherrybrook Public zone

Pristinely presented as-new, this two year old home is architecturally designed to reflect a modern French provincial design aesthetic over two luxurious levels. Secluded from the streetfront, its stately facade is matched by refined interiors of incredible scale, showcasing a natural colour palette punctuated with wrought iron style light fixtures. Soaring ceilings and an open layout define lounge and dining areas, with a built-in gas fireplace and effortless outdoor flow. Catering to large scale gatherings is an all-weather entertaining terrace with built-in barbecue kitchen, overlooking the private level backyard. Peacefully positioned yet conveniently located, this residence is approximately 240m to city buses and in the catchment for Cherrybrook Public School. It's approximately 280m to buses bound for the Metro, which is approximately 2km away.
