

11 Robertson Way Camden Park, NSW

5 2 2

Abounding rural views

Situated on a 761sqm parcel in the highly sought after Bridgewater Estate, this sizeable family home offers the perfect blend of space, comfort, and convenience including side access making it ideal for a multi vehicle family. This property would also lend itself to the possibility of a granny flat (subject to council approval) due to the generous yard and ease of access. The split level design boasts five bedrooms, a second separate lounge room, a combination of living and dining areas and a large covered alfresco area. The master bedroom features a large built in robe, ceiling fan and an ensuite with floor to ceiling tiling and a stone vanity top. The remaining three bedrooms offer built in robes for additional storage, where the fifth can also serve as a home office/study. The lower level is the heart of the home featuring the kitchen, living and dining areas that seamlessly flow into the alfresco space.
